### Data Protection Statement 2009/2010

Data Protection Act 1998 –The information you provide will be passed to the Learning and Skills Council (the LSC). The LSC is responsible for funding, planning and encouraging education and training for young people and adults in England, and is registered under the Data Protection Act 1998. The information you provide will be shared with other organisations for the purpose of administration, careers and other guidance, and statistical and research purposes.

Other organisations with which we will share information include, the Department for Children, Schools and Families, the Department for Innovation, Universities and Skills, Connexions, Local Authorities, Higher Education Statistics Agency, Higher Education Funding Council for England, educational institutions and organisations performing research and statistical work on behalf of the LSC or its partners. The LSC also administers the learner registration service (LRS) which will use your information to create and maintain a unique learner number (ULN). The LSC is also a co-financing organisation and uses European Social Funds from the European Union to directly or indirectly part-finance learning activities, helping develop employment by promoting employability, business spirit and equal opportunities, and investing in human resources. Further information about partner organisations and the ULN and what they do, may be found at [www.lsc.gov.uk/providers/Data/help/dataprotection](http://www.lsc.gov.uk/providers/Data/help/dataprotection). At no time will your personal information be passed to organisations for marketing or sales purposes. From time to time students are approached to take part in surveys by mail and phone, which are aimed at enabling the LSC and its partners to monitor performance, improve quality and plan future provision.

Tick this box  if you do not wish to be contacted by the LSC or its partners in respect of surveys and research.

The LSC values your views on the education or training which you receive, and will use these to help bring about improvements for learners in England. The LSC or its partners may wish to contact you from time to time about courses, or learning opportunities relevant to you.

Please tick here  if you do not wish to be contacted about courses or learning opportunities by post.

Fair Processing Notice: The Learning and Skills Council (LSC) also administers the Managing Information Across Partners (MIAP) Programme on behalf of the MIAP membership. More information about MIAP membership can be found at [www.miap.gov.uk](http://www.miap.gov.uk). LSC is responsible for the development and operation of the Learner Registration Service (LRS) and also the creation of a learner record. For learners of 13 years and over, identification information will be passed to the LRS to create and maintain a unique learner number (ULN). In addition, participation and achievement information will be passed to the MIAP Service to create and maintain a learner record. The MIAP Service will enable, for the first time, a learner to have direct access to information held about them which learners are able to challenge, if appropriate. The Learner Registration Service will enable organisations allowed by Law and detailed at [www.miap.gov.uk](http://www.miap.gov.uk) to access the ULN and integrate it into their systems. In addition, such organisations will have access to the participation and achievement information attributed to each ULN and thereby saving individuals having to supply the same information repeatedly to different organisations. Individuals are able to opt-out of sharing participation and achievement information in their learner record with those organisations detailed at [www.miap.gov.uk](http://www.miap.gov.uk), if they so wish. Details of how to opt out can also be found at [www.miap.gov.uk](http://www.miap.gov.uk) or by telephoning 0845 6022589.
