Anne	x A: Claim Form	. 8

1.0 PURPOSE OF POLICY

The purpose of this policy is to ensure that: -

- 1.1 a fair, consistent and confidential process is applied to consideration of all claims for authorised extensions to assessment deadlines:
- 1.2 the process for claiming authorised extensions to assessment deadlines, and the situations for which extensions may be authorised, are clearly described for students and staff; and
- 1.3 there is a shared understanding of the types of situation in which extensions to assessment deadlines may be authorised.

2.0 SCOPE

- 2.1 This policy applies only to those higher education programmes that are validated by Pearson (HNC/D), and other College HE courses <u>not</u> covered by awarding university regulations (eg. Open University and London Southbank). Other higher education courses are subject to the regulations of the university which are detailed on the respective university website.
- 2.2 A student may claim an authorised extension to an assessment deadline if they are aware in advance of the assessment deadline that they are temporarily unable to participate in their programme, submit assessments, or attend examinations. In this context assessment is taken to mean any work for assessment, for example coursework, assignments, projects and practical assessments. The following are examples of circumstances under which an authorised extension may be claimed;
 - 2.2.1 Bereavement in the family e.g. close relative, spouse or partner
 - 2.2.2 Serious sudden illness, sudden worsening of a chronic illness or accident
 - 2.2.3 Employer demands (part time students only) e.g. short term increase or change in work pattern
 - 2.2.4 Other exceptional circumstances which inhibit attendance or submission e.g. military service, civil unrest
- 2.3 Circumstances that inhibit a student from participation and/or submission of an assessment, in which the student could not reasonably be expected to be aware in advance of those circumstances, are outside the scope of this policy.
- 2.4 Students should be aware of the relationship between the authorised extensions and mitigating circumstances policies. A claim for mitigating circumstances in relation to an assessment or examination is NOT the same as a request for authorised extension for an assessment deadline. For the purposes of clarity the following guidance should be followed to distinguish between mitigating circumstances and authorised extensions.
 - A request for an authorised extension to a deadline would normally be submitted
 before an assessment deadline although there may be specific circumstances where
 the student may not be able to submit the claim in advance.

- In submitting a request for an authorised extension the student must be clear that they will be able to submit within the proposed extension period which is capped at 10 working days.
- If the student believes that they are unable to submit the work by the proposed amended deadline they should submit a mitigating circumstances claim.
- 2.5 The College believes that handing work in on time is a valuable discipline which helps students to develop the ability to plan and organise their time effectively and prepares them for jobs which include a need for time management. In this context the late submission of work is not condoned unless an authorised extension has been agreed by the Programme Coordinator or an extenuating circumstances claim has been upheld.

Programme coordinators, module/unit leaders and assessors will be responsible for making students aware, in the programme documentation, of any penalties that they will incur as a result of the late submission of coursework WITHOUT an authorised extension or agreed extenuating circumstance claim. In all cases of late submission, the regulations of the awarding/validating body will be followed. In the case of awards validated by the Open University and Pearson HNC/D the penalties listed below will apply.

The penalties for submitting assessments late **WITHOUT** an authorised extension for **Pearson HND qualifications** are listed below:

Up to 5	The work will be marked
working days	and the 'without penalty'
late	grade recorded so that the
	student can see the grade
	they
	could have achieved if
	submitted
	on time. The actual grade
	will
	be capped at pass.
Over 5	The work will be marked
working days	and the 'without penalty'
late	grade recorded as per above;
	that element of
	assessment will be
	awarded zero marks.
Late	The work be marked and
resubmission	the 'without penalty'
for a	recorded. That element of
reassessment	assessment will be
	awarded zero marks.

The penalties for submitting assessments late **WITHOUT** an authorised extension for **Open University and London Southbank qualifications** are listed below:

Where coursework is submitted late and there are no accepted extenuating circumstances it will be penalised in line with the following tariff:

Submission within 6 working days: a 10% reduction deducted from the overall marked score for each working day late, down to the 40% pass mark (for UG) and 50% pass Mark (PG awards) and no further.

Submission that is late by 7 or more working days: submission refused, mark of 0.

A working day is defined by Nescot as any calendar day, including Saturday and Sunday and submission after the deadline will be assumed to be the next working day.

Students who fail to submit work for assessments or attend examinations shall be deemed to have failed the assessments components concerned and will be marked as 0.

Note: Nescot has a 'extenuating/mitigating circumstances policy'. If there are circumstances that you have that mitigate the late submission, you should consult this policy for details. A decision can then be made as to whether any extenuating/mitigating circumstances are accepted. Should there be no claim for mitigation, or should an EC claim be rejected, penalties will remain in line with the above.

3.0 PROCEDURE

Making the claim: Request for the consideration of authorised extensions to assessment deadlines in advance of an assessment deadline or an examination

- 3.1 When a student becomes aware, in advance of an assessment deadline, of circumstances which may inhibit their fitness to sit an examination or submit an assessment, they may wish to submit a claim for an authorised extension to their assessment deadline. In this context assessment should be taken to mean any work for assessment, for example coursework, assignments, projects and practical assessments.
- 3.2 Students should return their completed claim for an authorised extension to their assessment deadline form together with the supporting evidence to the programme coordinator normally no later than two working days before the date of the assessment, attendance or submission.
- 3.3 Where, due to serious circumstances, a student may wish to make repeated claims these claims should be referred to the Director of Higher Education for further consideration of appropriate adjustments. In exceptional circumstances a third party may make a claim on behalf of a student, for example if illness precludes the student from participation in the process. In such a case the third party must provide contact details, information about their connection to the student, state the reasons the student

¹ BTEC Higher Nationals Centre Guide to Quality Assurance and Assessments

is unable to make the claim and provide supporting evidence.

- 3.4 Examples of supporting evidence are as follows:
 - a. Bereavement; a death certificate or a signed and dated letter from a medical practitioner
 - b. Illness; medical certificate or a signed and dated letter from a medical practitioner giving the dates the student was affected and how this may impact upon the ability of the student to submit, attend or prepare for an assessment. This may include attendance for treatment and/or tests.
 - c. Accident or injury; a copy of an accident report provided by a police officer, or a signed and dated letter from a medical practitioner giving dates during which the student was affected.
 - d. Personal or family circumstances; a signed and dated letter giving dates during which the student was affected and information about whether the circumstances are continuing, from either a medical practitioner, or social worker, or registered psychological therapist, or professional in psychiatric practice, or police officer, giving their relationship with the student, position and qualifications contact details.
 - e. Employer demands <u>part time students in full-time employment only</u>; signed and dated letter from their employer confirming the student has short term work pattern increase or change which is in conflict with previously agreed time for study, attendance at or preparation for an assessment.
 - f. Other exceptional circumstances; e.g. call-up papers for military service and evidence to show that the service cannot be deferred.
 - 3.5 The College will not consider the following as sufficient evidence of grounds for an authorised extension to an assessment deadline claim:
 - a. claims of a medical condition or medical circumstances without supporting medical evidence
 - b. Self-certified medical circumstances or illness
 - c. Medical circumstances for which the College have already made appropriate adjustments
 - d. Long term health conditions previously notified for which reasonable and appropriate adjustments to the learning programme and associated assessments have already been made and which has not been subject to change.
 - e. Claims for recognition of a medical condition which is reliant upon evidence which does not state when the illness or condition occurred
 - f. Any circumstances claimed as unforeseen which could reasonably be viewed as foreseeable or preventable
 - g. Minor illness that would not normally lead to sick leave from employment
 - h. Holidays, festivals and family celebrations including marriage
 - i. Financial matters
 - j. Computer, printer or network facility problems or failure to back up electronic documentation
 - k. Failure on the part of the student to ascertain the deadlines, times and dates of assessments

3.6 No claim may be made within the scope of this policy if the student has declared themselves 'fit to sit'. The College requires students to sign a declaration that they are fit to take the relevant assessment when submitting work for assessment and sitting examinations. Each examination or assessment submission form must contain a declaration to this effect. If a student is taken ill or is affected by unforeseen circumstances during or immediately prior to an assessment or examination but chooses to continue, they must advise the invigilator/assessor of their circumstances, the invigilator/assessor will endorse the fit to sit declaration and advise the Academic Registrar.

4.0 CONSIDERATION OF THE CLAIM

- 4.1 On receipt of the authorised extension to their assessment deadline claim the programme coordinator will consider the claim only if the student has provided appropriate evidence to support their request. Unsubstantiated claims will not be considered.
- 4.2 Only the Programme Leader has the authority to make an adjustment to an individual deadline for a student. If the student is unable to contact the Programme Leader they should contact the Academic Registrar via the Quality Office to seek advice and support.
- 4.3 The Programme Leader will consider claims for authorised extensions to assessment deadlines in confidence. All papers connected with the claim will be kept securely. All extensions granted by the Programme Leader must be recorded and made available at the Assessment/Examination Board and to the External Examiner (EE).
 - 4.4 Authorised extensions to assessment deadlines will be made formally, be for a clearly specified number of days and be specific to individual assessments. Based on the information in the claim the Programme Leader may confirm: -
 - 4.4.1 the claim is valid and supported by evidence
 - 4.4.2 the circumstances will, as claimed, impact adversely upon the capacity of the student to participate
 - 4.4.3 the claim is invalid and/or unsupported appropriately by evidence
 - 4.4.4 The Programme Coordinator has the authority to authorise an extension of not more than 10 working days

5.0 Communication of the decision of the outcome

- 5.1 Where a claim is upheld the Programme Leader will advise the student formally of the outcome, normally within 5 working days, using the agreed extensions claim form. The claim form will be retained by the Programme Leader in the student file and must be available for inspection if required.
- Where a claim is not upheld, and/or does not meet the identified criteria, the Programme Coordinator will advise the student formally of the outcome, normally within 2 working days, using the agreed extensions claim form to give a brief written explanation of the rationale for this decision.

6.0 Appeals against the decision not to authorise an extension to an assessment deadline

Where a student considers their claim for an authorised extension to an assessment deadline has not been fairly or reasonably judged they may appeal against the decision using the Academic Appeals procedure.

Annex A: Claim Form

Authorised Extension to Assessment Deadline Claim Form

Please complete this form if you know in advance that illness or other circumstance is going to inhibit your academic performance, or prevent you from attending an assessment or examination or meeting an assessment deadline.

All claims MUST be substantiated by original documentary evidence, e.g. medical certificate. All information submitted is confidential and will only be made available to the relevant parties. All claims MUST be submitted at least 2 working days before an affected course work/examination deadline.

Please complete all sections on pages 1 and 2 of this form.

Part affected 2 Course work Unable to submit on time						
Part affected 3 All Unable to attend module						
NB: Coursework includes dissertations, projects, presentations and in-module tests.						
Please complete the sections overleaf and return this form together with supporting evidence to your Programme Coordinator.						

Please give further details of your circumstances, including the dates for which you will be affected and the impact on your academic performance. You are reminded that claims cannot be accepted without original written documentary evidence. Please note that you should keep a copy of your claim form along with copies of any original documents you submit.
