Declaration		
<p>I understand that I must first use any Government free hours available for my childcare before applying for the College Bursary Fund. I am applying for childcare support only for the days/hours I am timetabled in classes.</p> <p>I am happy for the college to liaise with the childcare provider regarding my childcare arrangements and payments. If I am eligible for payments they will be paid to the provider on my behalf and I understand payments will be made 4 weekly in arrears upon receipt of an invoice direct to the provider.</p> <p>I understand that childcare payments will only be paid on my behalf if I attend all of my classes, keep up to date with my work, and behave appropriately in class and on the campus.</p> <p>If I do not meet these criteria I understand that I will have to pay for the childcare myself.</p>
