Complaints

**NESCOT** is committed to achieving excellence in the delivery of education and training services.

We set high standards for ourselves and seek to meet them.

We therefore welcome and encourage feedback from students and members of the public. Your feedback helps us to make improvements to our services. This document is available in alternative formats upon request.

We welcome 3 types of feedback

- Compliments
- Suggestions
- Complaints

### **Compliments/Suggestions**

If you wish to comment on the service you have received or suggest how it can be improved, please let us know by emailing [quality@nescot.ac.uk](mailto:quality@nescot.ac.uk)

### **Complaints**

The Complaints Procedure can be used by anyone (except College Staff, who should raise their concern under the staff grievance procedure) and covers complaints about the services we provide and the treatment you receive whilst in the college. It does not cover complaints about academic assessment, e.g., grades and marks. These are covered by the Academic Appeals procedure (available from curriculum staff or Quality in W63).

### **Making a complaint**

All complaints will be taken seriously and dealt with quickly. **The complaint should be given in writing via post or email and addressed to the Head of Quality.** If you need assistance in presenting your complaint you can ask your Tutor, Personnel Development Coach, Learning Support Assistant or Head of Department.

They cannot make the complaint for you but can assist you with wording or completing the form.

## **First Step – Informal Complaint**

If you are dissatisfied with the service or treatment, you receive it is always best to raise the matter immediately with the member of staff you are dealing with. Tell them exactly what you are unhappy about and ask for their help in putting it right. Many problems can be resolved quickly and informally in this way. Please do try to speak with your tutor and or Personnel Development Coach in the first instance.

## **Second Step – Formal Complaints Procedure**

When making a formal complaint this can be done by letter/email, or by completing the college complaint form in this leaflet. You may also telephone the Quality Department who will record your concerns.

The completed complaint form or letter should be forwarded to the Quality Department or handed to the Receptionist at the main Reception desk.

The process is as follows:

1. The complaint will be acknowledged within 5 working days of receipt by the Quality Department.
2. A member of our management team who is independent of the service of which you are complaining will fully investigate and report back to the Head of Quality.
3. Within 20 working days (where possible) of your original complaint a reply will be sent to you detailing the outcome of the investigation. The reply will state whether the complaint has been upheld and how the college will deal with the matter if your complaint is upheld.
4. If you are unhappy with the result of the investigation you have the right to appeal to the Deputy Principal within 5 working days of the date of our reply.
5. Appeals must be sent in writing.
6. The Deputy Principal will review the complaint and may interview the manager investigating the complaint and / or the complainant before reaching a decision.
7. Within 10 working days from the date of your written appeal a reply from the Deputy Principal will be sent to you detailing the outcome.

For Higher Education complaints and appeals please see the separate policy held on our website. Alternatively email [quality@nescot.ac.uk](mailto:quality@nescot.ac.uk)
