- Childcare providers Ofsted registration number and bank details

Declaration

I understand that: -

- I must first use any Government free hours available for my childcare before applying for the College Bursary Fund. I am applying for childcare support only for the days/hours I am timetabled in classes.
- If I am eligible, payments will be paid to the childcare provider above on the last Friday of every month as long as I have given student finance the relevant invoice.
- The arrangement to provide and pay for childcare is between the childcare provider and myself
- Student Finance will not discuss my childcare application or payment with the childcare provider unless I am present.
- Childcare payments will only be paid on my behalf if I attend all of my classes, keep up to date with my work and behave appropriately in class and on the campus (this will be checked with my tutor).
- I will have to pay for the childcare myself if I do not meet the above criteria.
