

# Sustainability Statement

## **Sustainability Statement**

Our commitments to sustainability, the climate and the environment:

Nescot is committed to acknowledging and addressing the climate emergency, and to preserving and protecting our shared environment and planet.

We are committed to minimising our carbon footprint, getting to carbon neutral and working towards zero waste practices.

### **Specifically therefore Nescot commits to:**

- Energy efficiency
- Promoting and where possible using clean energy sources
- Eliminating waste and pollution
- Recycling wherever practicable
- Making our own estate, buildings, practices and products more sustainable
- Partnering with sustainable companies and organisations
- Promoting sustainability through the curriculum, through teaching and learning, and through staff development
- Providing the skills and knowledge which a green industrial revolution requires
